THE substance known in the trade as vegetable wax is grown or in aufactured in the southern part of Japan, and from there is largely exported to England. Its only difference from beeswax is the smell when burning, the vegetable emitting a strong, tallowy odor that is very disagreeable. The wax is obtained from the berry of the wax-tree, which ripens about October. The fruit is first threwn into a lar vessel, where the husk is separated from the kernel by a maul thought had entered her bond; This done the nut, being very hard, un- maddened by the distress of the dergoes the steaming process, which loved so dearly, she had it is the line of softens it and causes the offy part to flow more readily. It is then submitted to a ran from one street to sanhar, till heavy pressure, for squeezing out the oil saw a baker's shop in which there apfrom the pulp. Tabks placed near by posted to be no person of them, well collect the fluid and alkew it to harden moning all for det emission, as into a bluish green mass. In this state it entered, litted a la can't and the the manufacture of candles and a few counter. He cried low lly, remains lir water; the pure wax floats and is &ken | ceed, and was seized at once.

G. RICE,

Announces that he has determined TO QUIT THE BUSINESS, and in order to fturn his stock into cash, will mark his goods to extraordinarily low, as to be without paralell in the history of the Dry Goods trade. Every dollars' worth of goods must be sold, inside the NEXT SIXTY DAYS, so that hitherto unheard of bargains may be expected. Among others, the following lines of goods may be mentioned, as being offered at un-

GOOD PINS OR NEEDLES, at 5 cents per paper. CLARK'S SPOOL COTTON, 5 cents per spool. 10 4 SHEETING, 25 cours per yar l.

GOOD FELT SKIRTS, 50 cents.

1 YARD WIDE BLEACH MUSLIN, 7 cents per yard. 10 4 BED BLANKETS, Good quality, \$3 per pair, BEST BRAND COTTON FLANNELS, from S to 121 cents per 'yard. BEST WOOLEN JEANS, from 15 to 50 ceents per yard.

Besides a large Stock of Dry Goods, Boots and Shoes, Hats and Caps, Clothing, Furnishing Goods, and other articles too numerous to mention, which will be sold at correspondingly low figures.

The stock is entirely composed of FRESH AND DESIRABLE GOODS, and the assortment is complete in every detail, affording the people of this vicinity a chance, such as has never before been offered, to buy reliable Goods at merely nominal prices.

MR. RICE recommends buyers to callearly, as the variety will be so much larger than after the rush of customers will have made their selections.

Quitting the business in 69 days, goods must be sold—the prices will sell them now is your chance. G. RICE. P. S. MULES TAKEN IN EXCHANGE FOR GOODS.
